Careers at Lipotype – Lipidomics for a better life

07. November 2022

## Job offer: Accountant

f/m/d | Dresden, Germany | Part-time (20-30h) | Begin: as soon as possible

Lipotype is a leading lipidomics provider located in Dresden/Germany. For our finance team we are looking for an Accountant. You will be responsible for accounting, compiling, analyzing, and reporting financial data, creating periodic reports, such as balance sheets, profit & loss statements, assisting in preparation of annual reports, financial reporting for public grants, travel reimbursement, presenting financial data to managers and assisting management in the decision-making process by preparing budgets and financial forecasts, maintaining accurate financial records, ensuring compliance with applicable accounting standards and regulations of the company.

### Who you are

You are a highly organized and reliable person with a professional background and experience as accountant or equivalent. You have strong analytical and problem-solving skills, experience with accounting software (e.g. DATEV) and thorough knowledge of accounting and finance. You are highly detail-oriented, possess strong time management skills and know how to prioritise. You are interested to push our digitalization efforts. Fluency in German and English is a prerequisite as well as excellent communication skills in speech and writing.

### Who we are

Lipotype is an innovative lipidomics provider and delivers lipid analysis services for pharma/biotech companies, cosmetics/dermatology industry, as well as for academic researchers. Lipotype is a spin-off company from the Kai Simons and Andrej Shevchenko labs of the world-renowned Max-Planck-Institute of Molecular Cell Biology and Genetics in Dresden, Germany.

### We offer

We offer a dynamic atmosphere with great colleagues in an international environment, flat hierarchies, attractive salary, individual training opportunities, company pension scheme, flexible working hours and legendary company events.

... what are you waiting for?
