

Graphics Designer

f/m/d

WORKING TIME:

Part-time

WHERE:

Remote or
Dresden, Germany

BEGIN:

as soon
as possible

If you were part of a team developing the technology to support health and prevent diseases instead of treating them, would you be proud to be part of it?

Lipotype is a growing biotech company, and up to this challenge. A few years ago, we developed Lipotype Lipidomics, a leading technology that allows for the analysis of thousands of different lipids (fat molecules) at once. Today, we are the leading lipidomics provider and deliver our lipid analysis services for pharma/biotech companies, cosmetics/dermatology industry, as well as for academic researchers.

Who are we looking for?

- You are a highly organized & reliable person who likes to work in a team as well as independently
- You can leverage your creativity within the brand framework of Lipotype
- You have a degree in communication design or comparable studies and are fluent in English
- You are skilled in PowerPoint and Adobe (Illustrator, Photoshop/Lightroom, InDesign) or comparable software
- You possess prior work experience in graphics design
- Nice-to-have are skills in Adobe After Effects or comparable software, experience in working for a premium/luxury brand, experience in Canva, and a scientific background

What will you do?

- You will support the marketing team by creating visual components for our social media activities, our website content, and search engine campaigns
- Maintain the Lipotype brand by ensuring visual consistency
- Contribute to the continued development of Lipotype content and performance marketing as well as the Lipotype brand

Why should you join us?

- Dynamic start-up atmosphere to learn, grow and thrive
- International team with down-to-earth colleagues & flat hierarchies
- Attractive salary, benefits & company pension scheme
- Flexible working hours and hybrid working models
- Ping pong table tournaments and legendary company events!
